

# HOW TO USE OUR DAILY MANNA

A time of at least between 45 minutes to 1 hour is suggested for the guidelines below. You could exceed it.

1. Look for a quiet time and place.
2. Start with brief prayer and worship (see beginning of this booklet, for a "morning devotional" prayer plan).
3. Read the passage (Basic Scripture) for the day twice.
4. Think (Meditate) on anything you have learnt personally from your heart and the Holy Spirit.
5. Pray on what you have learnt.
6. Go over the whole passage once more and read the write up (commentary) from the daily manna for the day.
7. Worship God and make definite commitments
8. Finally, pray the prayer points on the page for each day aggressively; many times and carry out any assignment or instructions given.
9. Now, you are too hot for Satan and his agents.
10. At your extra time, please go through the further reading scripture.
11. Pray in tongues seriously daily.
12. You can use the selected warfare prayer points and songs at the beginning and end of this booklet daily respectively.
13. Apart from the selected songs in this manual, you are encouraged to use current songs you know very well as the Holy Spirit leads.
14. Use the prophetic declarations at the end of this booklet and boldly say (declare) them loud daily.
